Since the 19th century the greatest Italian opera composers such as Verdi, Leoncavallo and Puccini, used to spend some time in Montecatini S.P.A. to have a rest and to get inspiration for their music, which has contributed to make our town well known all over the world.

MONTECATINI OPERA FESTIVAL is a major appointment in the programme of musical events in our town. It is under the patronage of MIBACT and is dedicated to opera lovers and great music. The festival starts on April to October and presents 22 top quality concerts performed by international artists in the charming Art Nouveau Spa buildings of Montecatini Terme. The beautiful hall of the Excelsior Spa together with Tettuccio Spa provide the perfect setting for the performances where the elegance of the surroundings exalts the intimacy and power of music, involving every time the audience in a total emotional experience. The festival is an opportunity of entertainment that surely will be appreciated very much also by your clients. Really we think your guests must not miss this enchanting experience in Montecatini Terme to complete in the best way the "Italian Journey".
